Dear Shri Misra,

2009
 12/2009
 2-23/5-2009

As you may be aware, Reserve Bank of India has issued instructions to all the Nationalised Banks to disburse loans to IAY beneficiaries under Differential Rate of Interest (DRI) scheme from 2008-09 onwards. Under DRI and IAY beneficiary can borrow upto Rs. 20,000/- from any Nationalised Bank at 4% interest per annum to top up the unit assistance that he has got under IAY.

This has been communicated to all the State Governments through various communications and forums / meetings. However, while reviewing the progress made by various States in respect of ensuring that benefits of DRI scheme flow to IAY beneficiaries, it has been found that not much awareness has been created about this new initiative. This has resulted in only a meagre number of IAY beneficiaries availing of this benefit.

You are therefore requested to create widespread awareness of this benefit as well as to ensure that DRDA officials help IAY beneficiaries to avail of this loan. To begin with, it is expected that at least 25% of IAY beneficiaries would be able to avail the benefit under DRI scheme during the current year.

I shall be grateful if immediate action is taken in this regard and data in respect of those who have availed of the DRI benefit is uploaded every month in MPR-3.

with regards,

Yours sincerely,

Nilam Sawhney
